## Capitalisation contract

ONE  
LIFE

## Product features

### Type of contract

- **Capitalisation contract for individuals and legal entities** linked to one or more investment vehicles whose rights are expressed in units\*
- **Single premium product** where additional premiums may be accepted
- **Fixed term of minimum 10 years, and maximum 99 years**, renewable tacitly from year to year, or for an **entire lifetime**
- Marketed in France under the Freedom to Provide Services (FPS)

### Target market

Capitalisation France is a Luxembourg capitalisation contract intended for clients resident in France and for legal entities registered in France, wishing to invest at least EUR 100,000 for a medium to long term investment horizon, while having the opportunity to access their investments at any time. The investment vehicles available within the contract offer different degrees of personalisation, as well as access to a wide choice of assets in accordance with the policyholder's profile (UCITS funds, structured products, non-traditional or unlisted assets).

Clients contemplating expatriation will be able to benefit from portability of their contract (after analysis by OneLife), thereby protecting their interests.

### Policyholder

Individuals who are tax resident in France

Individuals of French nationality who are tax resident outside France (**subject to specific conditions and subject to prior acceptance**)

Legal entities (subject to income tax or to corporate income tax) with their registered head office in France

\* OneLife capitalisation contracts are not subject to the Sapin 2 law.

### Reference currency

Contract denominated in **euros (EUR)** by default

Possibility to choose from other currencies (**subject to prior acceptance**):

### Investment vehicles

Investment vehicles whose rights are expressed in units:

- **External funds:** Undertakings for collective investment in transferable securities (UCITS)
- **Internal collective funds (ICF)**
- **Internal dedicated funds (IDF):** the Luxembourg investment vehicle for discretionary fund management (DFM)
- **Specialised insurance fund (SIF)**

**Note: Not all investment vehicles are eligible for all categories of policyholders.**

**Investments in unit-linked assets carry a risk of loss of capital, since their value is subject to upward and downward fluctuations, depending in particular on changes in the financial markets. The insurer commits to the number of units and not to their value that it does not guarantee.**
